

# Bear Valley Bible Institute

NEW ZEALAND

## Sister School Teacher Trade

Bear Valley Bible Institute in Fiji is just starting out, and I was blessed to be one of the first short course teachers. I taught on The New Testament Church in October. Their director, Rocco Pierce, and I will be in communication about how he and/or his son, Jason, will be able to return the favour.

## Courses Offered This Month:

- Old Testament 2; Daniel Boyd, Instructor

- Gospel of John and 1, 2, & 3 John; Kent O'Donnell, Instructor

Some of my students in Fiji

Studies have continued well. Two more courses are behind us!

We have been planning our first campaign, which is to take place in January (our summer). If the Lord wills, we will work in Hawke's Bay, New Zealand, to conduct a gospel meeting and invite the community to join in Bible study.

Please continue to pray for the school—both the instructors and students. We appreciate everyone who supports Bear Valley worldwide. We love you all. God bless you.

Keep serving Him,
